TRANCE MEDIUM—F. MORTON LESTER, late of London, Eng., the world-renowned and highly celebrated and only real natural-born trance medium in this country. Born with a double veil and wonderful prophetic gift of second sight; has the power of any two mediums you ever met. This he is prepared to prove. Tells your entire life past, present and future in a dead trance. Every hidden mystery revealed. Tells the full name of your future husband or wife, with age and date of marriage, and tells whether the one you love is true or false. Tells all business affairs with atmost truth. Gives advice on divorce, contested wills, speculations, etc. Tells your life from the cradle to the grave. Positively no imposition. Reveals everything. Lester wishes it distinctly understood that he is the only genuine seventh son of the present age, and advertises nothing but what he can do, and would not be classed with the many cheap pretenders found in every city. All who are in sickness or in trouble, all whose fond hopes have been biasted and who have been deceived and disappointed through the false predictions of others, before giving up in despair, are invited to call and the convinced of the true statements of the above without delay.
